

Appl. No. 10/807,839
Amtd. Dated March 8, 2005
Reply to Office action of December 21, 2004
Attorney Docket No. P11809-US2
EUS/J/P/05-6044

REMARKS/ARGUMENTS

1.) Claim Amendments

Claims 1-22 have been previously cancelled. Applicant respectfully submits no new matter has been added. Accordingly, Claims 23-39 are pending in the application. Favorable reconsideration of the application is respectfully requested in view of the foregoing amendments and the following remarks.

2.) Examiner Objections – Double Patenting

The Examiner objected to Claims 23-39 under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 1, 9 and 15 of US Patent No 6,735,175. As recommended by the Examiner, Applicants hereby submit a terminal disclaimer in compliance with 37 CFR 1.321(c) to overcome the double patenting rejection. A Notice of Allowance for all pending claims is respectfully requested.

3.) Prior Art Not Relied Upon

In paragraph 4 of the Office Action, the Examiner stated that the prior art made of record and not relied upon is considered pertinent to the Applicant's disclosure.

Reply to Office action of December 21, 2004
Attorney Docket No. P11809-US2
EUS/J/P/05-6044

CONCLUSION

In view of the foregoing remarks, the Applicant believes all of the claims currently pending in the Application to be in a condition for allowance. The Applicant, therefore, respectfully requests that the Examiner withdraw all rejections and issue a Notice of Allowance for all pending claims.

The Applicant requests a telephonic interview if the Examiner has any questions or requires any additional information that would further or expedite the prosecution of the Application.

Respectfully submitted,
